

MAINTENANCE PROGRAMME

DAIRY PRODUCER IN EUROPE

CHALLENGE

Tough competition increasing pressure on cost, customer is looking for way to reduce maintenance cost.

SOLUTION

A tailor-made maintenance solution with an overview of coming service events in the annual maintenance plan and a web-based parts inventory management system.

RESULTS

- ✓ Maintenance costs went down 45%
- ✓ Spare parts consumption went down 8%
- ✓ Line machine mechanical efficiency (LMME) was above 96%.
