

TETRA PAK® PLANT CARE WITH PERFORMANCE GUARANTEE

JUICE PRODUCER IN NORTH AMERICA

CHALLENGE

High price pressure from retailers. At the same time, the customer wanted to achieve higher production capacity, improve equipment performance and lower operational costs.

SOLUTION

A tailor-made maintenance solution including Maintenance Services, spare parts management, competence development and performance management.

RESULTS

- √ Improved line machine mechanical efficiency (LMME) by an average of 3%
- √ Reduced waste by about 50%
